

## THE RUSSIAN DELEGATION PROGRAM OF EVENTS

### AT EMO 2017 EXHIBITION

**Dates:** September 18-23, 2017

**Location:** pavilion 11, booth F06

#### September 18

12:00 -12:30	<p><b>The opening ceremony of the Russian exposition</b></p> <p>The opening ceremony of the Russian exposition will be held with the support of the Russian Export Center. Russian and foreign participants are invited to participate in the Ceremony program. Among them: SIC Delta-Test, INTERMASH, Pumori Corporation, StankoMashStroy, Sverdlovsk Instrumental Plant, STAN, KOSCO, Stankoinstrument Association and others.</p> <p>Speakers:</p> <ul style="list-style-type: none"> <li>• Yuri Stetsenko, Trade Representative of the Russian Federation in the Federal Republic of Germany</li> <li>• Georgy Samodurov, President, Stankoinstrument Association / Andrey Mandrabura, Vice-president, Stankoinstrument Association</li> <li>• Thomas Kopinitz, Managing Director, Hermle WWE AG</li> <li>• Sergey Matveev, General Director, KOSCO</li> <li>• VDW, Deutsche Messe - TBC</li> </ul>
12:30 – 13:00	<p><b>Presentation of STAN company</b></p> <p>STAN Company is the managing company of seven leading Russian machine-tool builders. STAN produces more than 50% of metal processing equipment in Russian Federation.</p> <p>The activities of the company:</p> <ul style="list-style-type: none"> <li>• Development and manufacture of metal-processing equipment</li> <li>• Technological audit</li> <li>• Service during engineering upgrade of production facilities</li> <li>• Design and process preparation of production</li> <li>• Implementation of projects related to PLM solutions</li> <li>• Repair and upgrading of equipment</li> <li>• Training of experts and staff</li> </ul>
13:00 – 14:30	<p><b>B2B meetings with STAN company</b></p>

15:00 – 15:30	<p><b>Presentation of KOSCO company</b></p> <p>Speaker: Sergey Matveev, General Director</p> <p>KOSCO is a group of companies which specializes in production and supply of machines, accessories and consumables. KOSCO offers cutting solutions of metal, aluminum, titan as well as non-metallic materials for aerospace industry and world leading manufacturers.</p> <ul style="list-style-type: none"> <li>• Band saw machine production;</li> <li>• Band saws production;</li> <li>• Maintenance service.</li> </ul>
15:30 – 17:30	<p><b>B2B meetings with KOSCO company</b></p>

### September 19

11:00-11:30	<p><b>Presentation of INTERMASH company</b> <b>"Grinding machines and magnetic accessories"</b></p> <p>Speaker: Kirill Petrov, Chairman of the Board of Directors</p> <p>The company produces vertical milling machining centers, a wide range of surface grinding and circular grinding machines and magnetic equipment.</p> <ul style="list-style-type: none"> <li>• Vertical milling machining centers with simultaneous interpolation from 3 to 5 axis.</li> <li>• Plane machines with angled table, four-point table, round table and horizontal spill. Plane machines with round table and vertical spill. Console plane machines.</li> <li>• Grinding machines for internal grinding, external grinding, universal ones.</li> <li>• Magnetic, electromagnetic and discrete plating.</li> </ul>
11:30 – 14:30	<p><b>B2B meetings with INTERMASH company</b></p>
15:00-15:30	<p><b>Presentation of Sverdlovsk Instrument Plant</b> <b>"Metalworking tool of the Sverdlovsk Instrument Plant"</b></p> <p>The company is one of the oldest producers of the industry in Russia. The product range is extensive: carbide and high-speed tools: cutters and carbide inserts; hard cutting tools (broaches, shavers); molds and dies; band saws, coolant; professional tool; metal cutting equipment.</p>
15:30 – 17:30	<p><b>B2B-meetings with Sverdlovsk Instrument Plant</b></p>

18:00 – 21:00	<p><b>Official evening reception of the Russian side</b></p> <p>The Russian export center, the organizer of Russia's participation in the EMO 2017 in Hanover, invites all Russian and foreign participants to attend the gala evening reception. During the reception there will be an opportunity to discuss business matters in an informal atmosphere. The guests will be offered a stand-up meal, cocktails and music</p>

### September 20

11:00-11:30	<p><b>Presentation of StankoMashStroy company</b></p> <p>Speaker: Sergey Mozolin, Head of Export Department</p> <p>The company produces universal lathe-screw-cutting machines for various operations: turning and boring of cylindrical and conical surfaces; cutting of external and internal metric, inch, modular, pitch thread; drilling, sinking, deployment. The machines are high-tech, easy to operate, long-term accuracy.</p>
11:30 – 13:30	<p><b>B2B-meetings with StankoMashStroy company</b></p>
13:30 – 14:00	<p><b>Presentation of SOLVER company</b></p> <p>Speaker: Dmitriy Kurlov, Head of department “Systems of Production Navigation Control”</p> <p>Russian engineering consulting company "SOLVER" was founded in 1993. Solver has a wide experience in implementation of programs for technical re-equipment of machine-building enterprises on the basis of introduction of innovative, manufacturing, management and information technologies with development of an organizational structure at an enterprise aimed at effective production - manufacturing of competitive products.</p>
14:00 – 16:00	<p><b>B2B-meetings with SOLVER company</b></p>

### September 21

--	--

12:00-12:30	<p><b>Presentation of SIC Delta-Test company</b> <b>"ARTA - precision EDM machines from Russian developer and manufacturer. Solved tasks, microerosion technology, examples of special applications"</b></p> <p>Speaker: Vasily Kuznetsov, Marketing and Development Director</p> <p>NPK "Delta-Test" develops and produces high-precision EDM with numerical program control and the number of controlled coordinates up to six units.</p> <ul style="list-style-type: none"><li>• serial range high-precision EDM machines ARTA;</li><li>• development and production of special equipment according to technical specifications of the Customer;</li><li>• retrofitting of EDM equipment at the base of our CNC systems and technology current generators;</li><li>• the supply of consumables, accessories and parts.</li></ul>
12:30 – 14:30	<p><b>B2B-meetings with SIC Delta-Test company</b></p>
